## WINTER

Winter has arrived with a vengeance at least with cold weather!

When snow arrives the borough does the best it can but we need to have the streets clear in case of an emergency. Putting snow back on the street will just get it plowed off again. Also, sidewalks need to be cleaned off within 24 hours,

## Safety

There seems to be a person or persons prowling around McVeytown. Cars have been broken into and also a home. Please keep all your windows & doors locked including your vehicles. Keep an eye out for your neighbors.

## Budget

The 2011 budgets have been adopted. The good news is there is no real estate tax increase or increase in water & sewer fees. Council and the Authority have worked very hard to hold the line on expenses and the fuel cost increases, electric cap going off in January 2011 as well as cuts in State & Federal government spending has made it very difficult.

## WATER & SEWER

The Authority is now set up to accept credit card payments on-line. Go to [www.mcveytownboro.com](http://www.mcveytownboro.com) and on the left column menu click on Water/Sewer Bill Payment. You will be taken to the payment page. Provide the account name, number,

service address, phone # and payment amount and press continue and you will be taken to the PayPal site to provide your credit card information. PayPal does charge a fee for this service.

It is easy & convenient and you don't have to leave the warmth of your house!

**Condolences** to the families of Bruce Huffman, Son Henry & Paul Laird

## Christmas Trees

We will again be picking up undecorated Christmas trees beginning December 29<sup>th</sup> through January 14<sup>th</sup>. Just leave your tree curbside and it will be picked up.
