## Spring 2013

I do believe Punxsutawney Phil was wrong! Let's see what April brings!

## Rothrock Playground

The annual clean-up day is set for April 6th at 9 a.m. Come out and get the Playground ready for baseball and summer!

Also, the Playground will be raising money to put a bathroom in the main building. If you would like to donate time or money, let Doug Roles, Angie Brouillette or Barbara Stiver know. Mail goes to PO Box 223, McVeytown.

## Country Memories Day

Pottery Night is Thursday, May 9th from 6 to 7:30 p.m. The BIG day is **May 25<sup>th</sup>**. Let's get all spruced up and show our pride in McVeytown.

## Clean up, etc.

When the nice weather gets here, people will want to get out & clean their yards and the streets. Last year we were surprised that PENNDOT did street sweep but we can't expect the same this year. Maybe we will be pleasantly surprised BUT should you sweep the cinders yourself, make a pile & call the sewer plant and we will try & pick them up the same day.

Also, some street repairing will be going on in June and if the streets are clean and cars are off the street, the work will be able to go faster

and residents will be able to move their cars back to the street quicker.

Along the same line as sprucing up, brush, leaves, etc. will be picked up on Wednesday beginning April 10th for 6 weeks.

Also, weeds need to be kept trimmed just like lawns!

## Streetlights Out

Call First Energy's automated outage reporting line: 1-888 – LIGHTSS(1-888-544-4877).

Go online to:

[www.firstenergycorp.com](http://www.firstenergycorp.com) click on "Report an outage," and then select "Report streetlight outage."

Be sure to let them know your name, phone number, where the streetlight is located and what is wrong with it.

## Permits

Just a reminder, Assessment and/or Building Permits are required. If the project is \$1,500 or more including labor & material, you will need an Assessment Permit. If you have any questions as to what is needed, contact John Hendricks at 899-5108. John is the Borough's Code Officer which also includes zoning.

## 5K

Have you heard that there will be a 5K race on June 1<sup>st</sup> in support of the Justin Henry Scholarship Trust? It will start in the Square.

## **McVEYTOWN BOROUGH AUTHORITY**

Just a reminder, if you change your phone number, contact the borough office. We are mandated by DEP to have a public notification system in place in the event of a water/sewer emergency or even a borough emergency. To make it work we need current phone numbers. Your help is appreciated.

## **MISCELLANEOUS**

With warmer weather arriving (soon, I hope), be considerate of neighbors and other residents.

- When you walk your dog, clean up after it.
- When you burn, only burn paper and NOT garbage.
- When you burn, look around you, is anyone drying clothes or working outside?

## **VOTE**

The primary is Tuesday, May 21th.  
Get out & VOTE!
