Summer 2010

Those 3 H's – Hazy, Hot & Humid!
That seems to be the story of this summer where last summer was wet. Please take care in this heat and check on any older or ill folks and make sure they are okay.

Please try and conserve water now before it becomes necessary.

Graduates

We have 3 high school graduates this year. Congratulations to Brad Bell, Lauren Coleman & Kierna Stimely. Good luck in all your future endeavors!

Water & Sewer

Our water comes out of the wells extremely hard (22 grains) and we run 2 softeners to bring it down to 10 grains. In one year, our salt expenses increased 7.5% to over \$4,400 for one delivery which also includes a fuel surcharge.

In the past couple of months, we have had to put in a new pump and lines and the softeners were off for a week or so. Now everything is back on line and running fine but we certainly use some rain!

New Stop Sign

A new stop sign will be installed on Market Street at the intersection of Holiday & Market Sts. This will now be a 4 way stop. Be on the look out!

Rothrock Playground

The Playground has started their summer program. It will be going for 5 weeks:
Every day Monday through Friday from 9 to 2 and Tuesday & Thursday evenings 6 to 8.

Flushing Lines

We are planning to flush water lines on Tuesday, July 13th. The rain date is Thursday, July 15th,

Website

It's done. The basic information on the website is completed and we will be adding some pictures, history, etc. Check it out -- www.mcveytownboro.com
There is a community calendar and if there is an event which needs to be added, please contact the Borough Office.

Comments & suggestions are greatly appreciated.

Sympathy to the family of Martha Harshbarger.

Community Yard Sale

Look for bargains on July 17th at the McVeytown Community Yard Sale.
