## Autumn

It seems that maybe Autumn is here. Days & nights are certainly cooler.

The Borough again will be picking up leaves and lawn debris on Wednesday. This is being done to avoid burning. Please call the Sewer Plant 899-7436 to let them know you have a pick-up.

The gate to the water tower road is being kept locked. Residents of McVeytown Borough have been allowed to take up their own leaves and lawn debris but cement blocks among other things are being dumped. So, if you need a key to get in, call the Borough Office, Keith Gruber, Roland Fagan, Steve Feathers or Pete Sunderland.

## Water

The Authority is still having issues with the well and pump. We are still asking residents to voluntarily conserve water. No washing cars, houses or watering.

Thank you for your cooperation.

## Burning

Again, we are asking that you consider your elderly neighbors or ones with breathing problems & only burn paper. The Borough will pick up brush, leaves & lawn debris on Wednesdays. Just call a reminder to the sewer plant.

Garbage and plastic should be picked up by refuse company.

## Zoning

Did you know McVeytown has zoning? It was passed in 2004 & the ordinance is online at [www.mcveytownboro.com](http://www.mcveytownboro.com). Every property is in a specific "district" and each district has its own requirements/rules. There are set back, minimum lot size, signs, lighting, etc.

**Condolences** to the family of Hazel Sunderland and Judy Notestine.

## Christmas

This year's decorating theme is "Christmas at Our House."

Christmas around the Square is scheduled for Saturday, December 1st. Put it on your calendar

## Sidewalks

Sidewalks are the responsibility of homeowners. They need to be safe and passable. Failure to maintain sidewalks in good order could result in an accident where legal action would be taken by the injured person against the property owner.

So what does your sidewalk look like?

## REMINDER

Election Day is November 6th. This is your opportunity to voice your opinion. Get out & vote!
